### **Hughes net**

Pricing for HughsNet hardware (purchased) and 2 years of 50 GB prime time and 50 GB of Bonus Bytes per month, prepaid for 2 years is \$1918.76.

When ordering, add phone service for 24 months as well. The service is \$19.95 per month so the cost for 24 months after a discount should be about \$420.

This will give us unlimited calling throughout North America and an incoming line.

This price was OKed by Danielle, HughesNet Supervisor.

Government purchasing is at (888) 712-4650. They will take P card.

Note: Danielle is supervisor at (866) 293-8945.

Limited time deal.

### **RadioLabs**
